LA DESCRIPTION

National Accounts of OECD Countries: Volume 2: Detailed Tables provides you with official national accounts data for 30 OECD member nations, with some time series going back as far as 1970. Account information is broken down by kind of activity for gross value added, components of value added, gross fixed capital formation, and employment. National Accounts also includes final consumption expenditure of households by purpose along with simplified accounts for general government, corporations, and households, and detailed accounts by various institutional sectors.
